Guidelines

You are granted the use products under the conditions featured in the above table. Unless otherwise stated, Innovision Soft SRL and/or its licensors own the intellectual property rights for all materials on InnoUi. All intellectual property rights are reserved and you must abide the following terms and conditions.

Conditions

1. You are not allowed to lease, resell, license, sub-license or offer the product to any other person, company or organization.
2. You cannot extract and use just a part, component or script of the item as a stand-alone product or included in other product.
3. It is prohibited to redistribute any of our software or software created with InnoUi kits to publicly available repositories like GitHub. Furthermore, the item cannot be included into any Open source project.
4. The graphic resources included in our packages cannot be added in any resalable web applications or other software.
5. You cannot use InnoUi to create another framework or package which can be downloaded from your website in an automated way.
